

City of Tecumseh

Summer Recreation Activities

The City of Tecumseh is sponsoring some alternative summer recreation activities for the kids in the community since we will not have a swimming pool open this summer. We have some coordinators that are planning and implementing these activities throughout the summer. We will utilize the park, library, ball fields, and community building for these activities. We are starting out with some outdoor activities, and will add more water-related games as it gets warmer. We will hold activities 2-3 days per week from June 3 to early August.

Age: We are targeting kids age 5 and older. We welcome adults to accompany their children.

Time: Activities are planned from 1:00—4:00 p.m. on the days noted.

What to bring: We suggest bringing a water bottle—we will not be providing any refreshments. Bathrooms will be available, but children need to be able to use these facilities on their own.

Weather: Most activities will be outdoors, weather permitting. If weather is bad we will move indoors to the Community Building or Library.

Tuesday, June 11th @ City Park— Sports Court Day

* Basketball Games

* Badminton

* 4-Squares

Wednesday, June 12th @ Community Bldg.— Movie Day

* Movie & Snacks

Thursday, June 13th @ City Park—Game Day
