

WHERE WE'RE GOING

The City of Tecumseh recently received a Community Development Block Grant from the State of Nebraska for Downtown Revitalization and is currently working with the Department of Roads on a Transportation Enhancement Grant which will fund repairs to our historic brick streets. We hope to start planning for these projects this summer with renovations to begin next spring .

HOLIDAY BANNERS**

REMEMBER WHAT HOME FEELS LIKE?

We would like you to consider calling Tecumseh “home” again. Recently, we have had several alumni decide to relocate back to their roots and it is with great enthusiasm we welcome them back home. Whether you might be looking to retire or just thinking about a change, we would like you to consider moving back to where it all started. You will find that the existing housing stock and building lots are affordable and appealing and with more than enough to choose from, you shouldn't have any trouble finding the “perfect spot”.

In addition, Tecumseh Economic Development has an “offer you can't refuse”. We will reimburse you up to 3%, or a maximum of \$3,000, on the purchase price of a new or existing home. This can be used to help defer the cost of the down payment or pay for those annoying closing costs.

We encourage you to take a look at our website www.tecumsehne.com and review the guidelines.
